Ez2 Warranty:

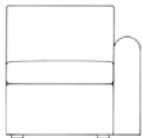

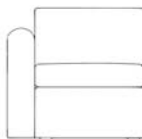

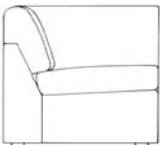

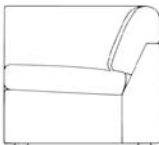

Trinity Furniture warrants all its Ez2 products for 20 years against manufacturing and factory defects, excluding covering materials, under normal service for the original purchaser. During this period Trinity Furniture, at our option, will replace, repair, or return the purchase price of any merchandise that, upon our inspection, is deemed to be defective. This constitutes the sole and exclusive remedy to the customer. Damages resulting from freight, claimed or unclaimed, from accident, alteration, tampering, misuse, negligence or abuse voids the warranty. In the event any product has to be returned to the factory for verification of a complaint, it must be shipped prepaid and include written information containing the name of the original purchaser, original invoice number, and a copy of the original purchase order must be provided. Because of natural variations on materials over which Trinity Furniture has no control, this warranty is applicable only to those parts actually manufactured by Trinity Furniture Incorporated. For purchased parts, we will apply exactly the same warranty that is extended to us by our suppliers. Trinity Furniture shall not be liable for consequential or incidental damages arising from any product defects.
